Financial gifts will be tax deductible.

All funds received will be designated to equipment purchase and installation.

"All Ages * All Abilities"

Meeting the needs of parents with disabilities, Crossroads Unity Park will be built with ADA-compliant ramps leading to elevated areas that will access playground equipment and provide an observation platform. This will enable those who are dependent on the use of wheelchairs, walkers, or crutches to be able to take a more active role in their children's play experience.

*Photos provided as suggested equipment.
Final playground configuration is under design.*

This campus will be designed to provide an atmosphere of healing and bonding for our veterans and their families, whose sacrifices have improved the way of life for all citizens of The United States of America.

Mission Statement

To enrich the quality of life for all local citizens and to encourage long-term community stability and growth through an inclusive atmosphere. The play environments will serve the physical, social, sensory, cognitive, and emotional needs of families of all abilities in our community. In addition, this campus is designed to provide an atmosphere of healing and bonding for families of our disabled veterans, whose sacrifices have improved the way of life for all citizens of The United States of America.
